PROFESSIONAL SUMMARY

I have four years of working experience in restoration and conservation of museum objects and relicts, dating from 16th century, including manuscripts, miniature paintings, books, engravings, posters, magazines, and newspapers. Currently I am involved in the restoration of paintings and embroidery objects. I adhere to the principles of research restoration. I strive to broaden my knowledge in the field of the latest technologies and materials applied in fine art restoration, as well as study innovative methodologies applied in art conservation.

My key strengths are:

- Creativity
- Diligence
- Patience
- Individual approach to each work of Art
- Ability to learn quickly
- Strong determination to grow professionally
- Excellent interpersonal skills

EDUCATION

Master's Degree in Restoration and Expertise of Works of Art – Azerbaijan State Academy of Fine Art / Baku / 2021

Bachelor's Degree in Decorative Art – Azerbaijan State Academy of Fine Art / Baku / 2016

PROFESSIONAL EXPERIENCE

CENTRE OF RESEARCH RESTORATION OF MUSEUM OBJECTS AND RELICS under Azerbaijan Ministry of Culture / Baku/ Jan 2020 - present

Graphic Art Restorer

- Examine and assess the condition of artworks.
- Identify any damage, deterioration, or changes in the artwork.

- Plan and execute conservation treatments, ensuring the long-term preservation of the pieces.
- Clean, repair, and reconstruct parts of the artwork. Use various techniques and materials, always striving to maintain the artist's original intent.
- Select storage conditions for exhibits.
- Keep detailed records of work, including before-and-after photos, research findings, and the materials used, which helps in tracking the history of the artwork and guiding future restorations.

"HADAF" COURSES / Nizami district branch, Baku / Azerbaijan / 2018

Teacher of Art

- Inspired creativity and cultivate artistic skills in students.
- Designed and developed art curricula that align with educational standards and objectives.
- Planned engaging lessons that cater to the developmental and skill levels of students.
- Provided demonstrations and guidance on various techniques, art history, and creative processes.
- Helped students develop their artistic skills: drawing, painting, and sculpture.
- Tailored instruction to meet individual needs and encourage experimentation.
- Maintained a positive and organized classroom environment.
- Introduced students to the history of art, exposing them to various artists, movements, and styles.
- Encouraged discussions about the cultural and historical value of different artworks.

ACCOMPLISHMENTS

Restored exhibits from: the Azerbaijan National Museum of Art, Azerbaijan Independence Museum, Azerbaijan State Art Gallery, Masalli State Art Gallery, Khachmaz Museum of History and Country Studies, Gusar Museum of History and Country Studies, House Museum of Uzeyir Hajibeyov, House Museum of Abdulla Shaig, House Museum of Victor Klein, and House Museum of Sabit Rahman.
